Bulletproof problem solving free pdf

Author: Charles Conn Publisher: Wiley ISBN: 1119553024 Size: 66.22 MB Size: PDF, ePub, Mobi Watch: 2877 Get Books The solution of complex problems is the main ability to solve problems of the 21st Century Teams Complex is at the top of the list of essential skills for career progression in the modern world. But how the solution of problems is taught in our schools, universities, enterprises and organizations is short. In solving bullet-proof issues: the only skill that changes All you will learn the systematic approach to seven phases to solve creative problems developed in higher consulting firms that will work in any industry or industry, turning you into a solver of highly sought after and antiprojectal problems that can face the challenges others face. The problem solving technique outlined in this book is based on a highly visual and logical method that can be applied to everything, from daily decisions to strategic issues in business to global social challenges. The authors, with decades of experience at McKinsey and Company, provide 30 detailed and real examples, so you can see exactly how the technique works in action. With this anti-projectal approach to define, dispose, understand and finally solve problems, you will have a personal superpower to develop convincing solutions in your workplace. Discover the 7-step test technique in time to solve the problems that top consulting professionals use Learn how a simple visual system can help you break and understandparts of even the most complex problems Build team brainstorming techniques that fight cognitive prejudices, rationalizing the work plan and speed solutions Know when and how to employ modern analytical tools and techniques from machine learning to game theory Learn how to structure and communicate your results to convince the public and convincing action The secrets revealed in Bulletproof Problem Solving will transform the way you approach business and will bring you problems. By Yes Book Please August 11, 2019 Reach Success, Psychology Solve Charles Conn Bullet-proof Problems Fixing : Charles Conn and Robert McLean (Free Download) are the only ability to change everything, the resolution of complex problems is the main ability for 21st Century Teams. The resolution of complex problems is at the top of the list of essential skills for career progression in the modern world.
