On July 1-31st, the University Park Public Library District conducted the 5th summer tutoring program hosted by the Library Board of Trustees for students within Crete Monee School District 201-U. Sixty two students, grades 3-8, from various schools within our community registered for the program. They received two hours of daily instruction in reading and math in accordance to the Common Core Standards. They were tutored by certified State of Illinois teachers. Academic material was provided by CMSD201-U. Upon successfully completing the program, students, their parents and other significant support personnel were treated to a trip to the Shedd Aquarium. We are grateful for the support offered by Donna Dettbarn, Supervisor; Monee Township Government Trustees: Maurice (Mo) Brown, Deborah Burgess, Terri Boles, Clerk Bobbie Lathan and Executive Administrator, Willa Simmons.
